

Did anyone see Game Six of the World Series with the Cardinals and the Rangers? What an amazing game, the battle was awesome! My favorite part of baseball is the defensive highlights, where the spectacular plays are made. We call those "Web Gems" because the ball is a "gem" and it is caught in the "web" of the glove. Walking with Jesus can be just as exciting as "Web Gems" in the World Series. Here are Jesus' top 10 Web Gems in my life over the last month and a half.

10) Xenia, OH-Local Flag football league -I have mentioned in several newsletters about this league I have played in the last three years. We have 15 min. devotions before every game. I was blessed with opportunity of giving hope to around 120 guys that Jesus is in the business of setting people free from pride and sexual sin.

9) Estes Park, CO October 3-5 CMA Mid-America Pastors retreat. I was blessed to spend some time with my pastoral staff from Aurora Alliance Church, hear the word of God challenging the pastors and share a brief testimony of my journey with Jesus the last three years trying to give hope to pastors to trust Jesus for freedom from sexual sin.

8) Denver, CO Oct 6-12th Family Time. It was awesome to go to my sisters church, they have found a solid place to worship and get fed the word of God, this a answer to about twelve years of prayer. I was very encouraged. We also went to Seven falls

Coach Beck, Cookie, KP & Me

2011 Nyack College Athletic Hall of Fame Inductees

Game two World Series Web Gem

and thanks to Imovie I put a fun video up on [my website](#).

7) Newark, NJ Oct 13th- 16th got to have awesome fellowship with my buddy Ezra Sohn and meet his roommates who are all in ministry. I am so thankful for his friendship, for the time hanging out, the prayer and sharpening I got from his roommates. I will be prejudice and say Koreans know how to pray!

6) Nyack, NY for Homecoming to get inducted into the Nyack College Athletic Hall of Fame.

What an honor especially with the class I was inducted with.

Kyle Perry was my catcher for three years and a very great leader and friend. Coach Beck drove up from Florida, Robert Tringale from Kentucky and many other old teammates made it a special time of fond memories remembering how formative Jesus really made my time at Nyack. Oh and we won in the Alumni game beating the current college baseball team.

I also got to have dinner with my spiritual parents Ron and Wanda Walborn. I am forever grateful for their investment in my life.

5) While at Nyack Jesus used me to minister to five of Nyack College Teams. Baseball, Men's and Women's Basketball. Woman's Volleyball and Soccer.

The time sharing with Woman's Volleyball & Basketball teams was very interesting as I sensed the internal voice of the Holy Spirit telling me only to bring the Solarium Cards which are about fifty different pictures of people and objects. The Solarium is a great ice breaker and helps people use pic-

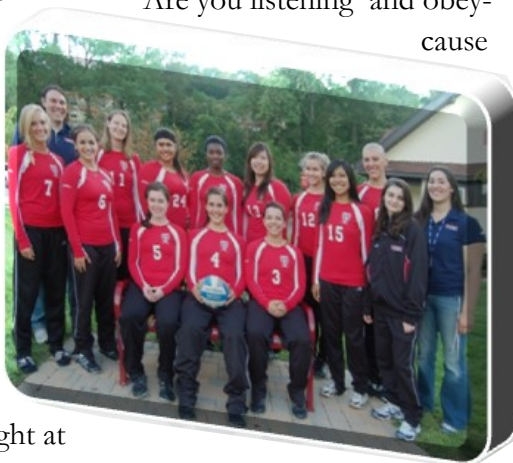

Nyack teammates together again

tures to talk about their week, their view of life, and of God etc. Well, I like to prepare for my messages and so I was resisting only bringing the Solarium with this team. As the night went

on we only used the Solarium because the ladies had a very heavy plate and a lot of burdens to share from their week. When the third girl used her picture to describe her day and then started balling I knew the Spirit prompted me correctly. She was attempting to walk away so I gently brought her under my arm and had all the ladies surround her and we prayed over her and gave her lots of hugs. After 25 minutes of everyone sharing about their week. I saw and spoke to the ladies that Jesus wanted them to know that they were the sermon he wanted to preach. He cares enough about them to shut me up and to hear about their week. The fellowship and bounding for the two teams was absolutely precious. I am glad I listened and didn't try to force a message even though I was fighting God about it up until the minute we started. How has the Spirit been prompting you?

Are you listening and obeying Jesus because he has amazing blessings for others when we do?

4) Oct 19-20 University of Michigan Weekly Meeting

Taught at their weekly AIA meeting to over 30 athletes about being filled with the Holy Spirit.

3) X-project student Garrett Peters— I was able to meet with a disciple of mine from this summer who goes to Michigan State as he came down for dinner and listen to me teach at the AIA Michigan time.

2) Sam Strayers- The next morning I was able to have breakfast with a long time friend who I have known for

thirteen years and have a great time catching up.

1) Sportline Campuses Discipleship (Skypleship)

Palm Beach Atlantic (PBA) Taylor Kaprive- Logan Thomas. Hungry for discipleship. They are running a Bible Study on their baseball team taking guys through “I am second” website videos and study. Logan is leader

Taylor Kaprive & Logan Thomas

Sportline Reps at PBA

on FCA for all their athletic department. They are also discipling guys on their team individually.

UC Riverside

-Eddie is growing in his time management and worship in the classroom.

Working to

start Bible study and meeting with teams.

Harding University Matt Calhoun in Arkansas started a Bible Study with several other teammates and is taking steps to share the gospel with his teammates.

Shasta College Jr. in California. Jason Kelly. Academic Counselor has 10-12 athletes meeting weekly who are hungry for God's word.

Sinclair Jr. College right in our (AIA Dayton, OH) back yard. Bible Study and discipleship with baseball team. The first week was the clearest Gospel presentation I have ever shared from Ephesians 2:1-10 with 10 guys. Jesus is doing some good things on the team.

I meet weekly with leaders from these campuses weekly. Please pray for them. Maybe go to their athletic websites print and download their rosters and beginning praying for salvation and transformation.

Jesus, your kingdom come, your will be done on earth as it is in heaven on all these campuses and in all the needs of those who read this newsletter. In Jesus name. Thank you for prayer, giving and networking— Taylor Hargrove
