

“DO NOT STORE UP FOR YOURSELVES TREASURES ON EARTH WHERE RUST, MOLD & MOTH DESTROY. BUT STORE UP FOR YOURSELVES TREASURES IN HEAVEN.” MATTHEW 6:19

The verse above has been a wrestling match for us, as we have invested most of our lives in treasures in heaven, yet not having an earthly home has been very difficult for continuing ministry as usual. We have been in a daily survival mode for a year. How would you wrestle with this scripture if you try to live your life for Jesus, yet your family health was attacked and your house was ruined by mold, with no insurance help? This has been a wrestling match for us. We know that earthly things will pass away. But we also know that it is helpful to have a home, to live out the calling that Jesus has for us. **Progress of some of our house! We are hoping to go from Mold2gold :)**

HEALTH UPDATE FROM KATIE

“I am so thankful that I have been feeling so much better! I have been working with a naturopath doctor that specializes in Lyme/mold for the past 10 months. I have been detoxing and working on my fatigue. Whatever we are doing is working! I have also been using an infrared sauna. We are considering buying one for our home because I think it will continue to help my health for the long haul. Thank you for your prayers and I am so thankful for the good days I have been having. Lyme is an up and down journey so I am expecting some ups and downs, but I am thankful for so many good days!”
