Whatever connections you have or even if you can post our goFund me link on your social media pages that would be helpful. Another way to help is our wishlist as we move back in after throwing away \$20K of stuff <https://mywishlist.online/w/cglTue/hargrove-house-wishlist>. Our next few needed purchases are two couches and some blinds for upstairs.

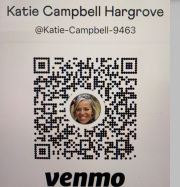

Our mold2gold house journey will probably take a major turn as you read this newsletter in this chapter of our lives as they are installing the rest of the floor in our breezeway. That will be the final step in finishing our house! It has been a 2 year process and last year at this time we were in dread! Our contractors: care, excellent work and creativity have transformed our mold invested home into a better, restored place for us to live life and do ministry! We are thankful!

Cleaning and moving stuff continues to consume our time but we are moving forward. We also have guest room ready for those of you wanting to come visit!
